Dear Mr. Zuckerberg,

I am writing to express my interest in your posted opening for a new Software Engineer. I am looking for an opportunity to apply my skills and abilities to a challenging, growth-oriented position with a leading company like Manolo's program company while continuing to build my academic foundation.

My previous experiences have supported the development of my programming and software development abilities. I am excited about the possibility of learning from and contributing to your team by applying my problem-solving, critical thinking and leadership skills.

My focus, as an emerging professional, is to utilize my skills in software engineering, making a positive impact on the overall organization. I enjoy collecting, organizing and analyzing data, working in groups and brainstorming project strategies. I believe these skills will be valuable in Software Engineer role while continuing to enhance the excellent reputation of Manolo's program company. Please review my enclosed resume for additional details. I look forward to hearing from you at your earliest convenience.

Sincerely

Francisco Crespo Martín
