Respuestas

Parte 1

1. **What is the IP address of the computer?**
   192.168.0.100

2. **What is the subnet mask of the computer?**
   255.255.255.0

3. **What is the default gateway of the computer?**
   192.168.0.100

4. **Is the IP address for Admin within this range? Is it expected? Explain your answer.**
   Si está dentro del rango porque el equipo "admin" está configurado en DHCP.
